Lead in Drinking Water Annual Notification

Owner:

Dunmore School District

Building Tested:

High School

Notification Date:

October 2020

Notification To:

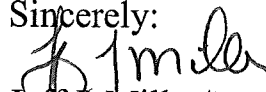

Parent/Teacher Organizations
Community
Building Occupants
Guests of the Building

In accordance with Pennsylvania Lead in Drinking Water in Schools Guidelines as well as the Pennsylvania Public School Code Act 39 of 2018 we are purveying notification that we have sampled and tested all drinking water in our school for lead.

The School is complying with all requirements in regards to Lead in Drinking Water and there is no need for safety or health concerns relative to lead exposure.

Copies of the Lead in Drinking Water Reports are available through the Administration Department and are available for your review.

Sincerely:

Jeff J. Miller/JM I
