Mandated Dental Exam

Dear Parent/ Guardian:

In accordance with Pennsylvania School Code, dental examinations are required on all students in grades **Kg. or 1st, 3 and 7**. Parents are encouraged to have this examination done by their private dentist to provide continuity in dental care of your child. If you would prefer a school dental exam free of charge you may indicate so below. All forms must be completed and returned by May 1st of the school year.

Student _____ Grade _____

Choose Only One and Sign and return this permission form, keep the attached private dental form if having a private dental exam.

_____ I give consent for my child to be examined by the **school** dentist

Signature _____ Date _____

_____ I will have my private dentist complete the **private** dental form and return it by May 1st.

Signature _____ Date _____
