From: Dunmore School District Food and Nutrition Services

Welcome back to school! We look forward to seeing our students back in the cafeteria this fall and would also like to welcome our new students.

We would also like to reassure you that we have been working diligently to provide our students with a safe and clean cafeteria.

Some of the changes you will see to the cafeterias to ensure safety are:

- Employee daily health screenings.
- Plexiglas throughout the serving lines and register stations.
- Share tables have been removed.
- Staff received training on PPE, social distancing, hand washing, food safety, cleaning & sanitizing (especially high traffic areas), and all related safety topics.
- Staff will always wear gloves and face coverings, except during consumption of food
- Self-serve stations have been eliminated.
- Students will not enter their ID number into the pin pad.
- Cash repayments will not be accepted at the register.
- All utensils, napkins, condiments will be individually wrapped and pre-portioned.
- Disposable trays will be utilized.
- Social distancing markers will be placed on the cafeteria service line floors.
- Tables will be cleaned and sanitized between each meal service. Administration has built in extra time between lunches for this to be properly completed.
- All menus will be limited including ala carte.

Please pay close attention to the following changes:

- Prepayments will only be accepted on Mondays and Thursdays. Any prepayment sent in on other days will be held or sent home.
- Elementary breakfast is a grab and go breakfast. There will be a breakfast area on the first and second floor from 7:30 to 8:15. As the students walk to their homeroom they may stop at the breakfast stations to choose their breakfast and then proceed to their classrooms where they will eat their breakfast.
- Middle and high school lunch will be served in the cafeteria as usual with an additional grab and go station at the main entrance of the high school.
- You may pick up meals for the days that you are not in school. Meal distribution will be on Mondays from 5:00PM to 6:00PM at the Elementary school ramp. During this time you will pick up a bag that will contain 3 days' worth of full breakfast meals and 3 days' worth of full lunch meals. These meals include milk, fruits and vegetables, and entrees. Per PDE guidelines meals are only to be distributed to students of Dunmore School District. You will have to provide the students name at the time of pickup. Meals will cost the following (per meal):
 - Free Status - \$0.00
 - Reduced Status Breakfast - \$0.30
 - Reduced Status Lunch - \$0.40
 - Full Pay Status Breakfast - \$1.30
 - Full Pay Status Lunch - \$2.10
- Meal distribution will begin on Monday, August 31st.

We look forward to seeing everyone and please do not hesitate to contact the food service office with any questions.
