*Please note! You get to choose 4 colleges to send your scores to when you register. If you are planning on playing sports at the college level for a Division I or II school, one of your 4 choices should be the NCAA Clearinghouse and the code is 9999. If Penn State is one of your 4 choices, their code is 2660 for the SAT. I give you this information because these two entities do not accept your SAT/ACT scores from high school transcripts, only directly from the College Board/ACT.*

*Please choose 4 colleges to send your scores to when you register. If not, you will have to pay extra money to do so later.*

**You need 2 forms of photo ID, one from your admission ticket and a driver's license or a passport. If you do not have a photo ID, see Mrs. Massaro ASAP!**
