John Marichak, Superintendent

Equal Opportunity Employer

Dear Parent/Guardian:

Under the federal Every Student Succeeds Act, states are required to designate schools for support and improvement based on both schoolwide (Comprehensive Support and Improvement) and student group (Additional Targeted Support and Improvement) performance on a range of academic and student success measures.

Dunmore Junior/Senior High School is one of roughly 200 schools statewide designated for Additional Targeted Support and Improvement. The designation is based on data suggesting the need to prioritize additional supports for our students with disabilities in Dunmore Junior/Senior High School. This is based on the following areas: academic proficiency on state assessments, academic growth, and regular attendance. This designation will provide opportunities for our school to partner with stakeholders to identify our school community's most pressing needs, select strategies to support those needs, and work together to implement the selected strategies.

You can inform the improvement process at Dunmore Junior/Senior High School in the following ways:

- Please be sure to make all efforts under your control to see that your child attends school every day and is on time.
- Please be sure to be actively engaged in all aspects of your child's education.
 - Communicate with the school and teachers.
 - Check the parent portal for grades and assignments.
 - Interact with your child and the educational process.

If you would like more information, please feel free to contact John Marichak, Superintendent of Schools, Timothy Hopkins, Principal, and/or Kaley Noone, Special Education Director.

Sincerely,

John Marichak
Superintendent of Schools
